P.C.A.H.A. 2022-2023 BULLETIN #7

DATE: November 18, 2022
TO: The Presidents
PCAHA Member Associations/Leagues
FROM: James Rae
PCAHA President
SUBJECT: **League Games in PCAHA**

=====

We have had a number of incidents where teams are cancelling games the afternoon of the game because they are short players.

I would like to draw your attention to PCAHA Regulations, Section G (10) and (11).

Any team wishing to reschedule any league or playoff game must receive the approval of the appropriate League Manager AND its scheduled opponent not less than **72 hours** prior to the schedule start time of the game in question (except in emergency conditions).

Rep teams should have enough affiliate players on their roster to call upon if they are short.

Hockey Canada Rule 2.2(a) states: "A minimum of six eligible players in uniform (not necessarily a goaltender) on each team shall be necessary to start the game".

Teams may not declare a forfeit. Failure to meet all league commitments will result in disciplinary action, which may include suspension(s), at the discretion of the Managing Director.

Please ensure that team officials within your Association are aware of the consequences of failing to follow the rules.
